THE NATURAL AND ETHICAL BRAND
INSPIRED BY NORDIC COUNTRIES

Baltic Bliss is a brand inspired by Nordic countries, offering products designed to protect both the environment and your well-being. Selected products within the range feature Ecolabel formulations, with packaging that complies with EU Ecolabel criteria and are made from recycled or biosourced materials, reflecting our commitment to sustainability and ethical practices.

Its minimalist black and white packaging is inspired by Scandinavian universes where «hygge» and «lagom» are cultivated; they represent intimate and cozy "art de vivre" that promote a philosophy based on well-being, balance, simplicity and ethics.

OF NATURAL ORIGIN

Baltic Bliss formulas contain up to 97% ingredients of natural origin. The line exude a fresh fragrance with green leaves top notes leading to an aqueous floral heart and a coastal accord over a musky base for an incredibly refreshing feel.
